

# CENTRE OF EXCELLENCE FOR MAJOR PROJECT LEADERS

INAUGURATION CEREMONY  
22 July 2019

發展局  
Development Bureau

**Mr. Paul CHAN Mo-po**  
GBM, GBS, MH, JP

## Message from the Financial Secretary

My congratulations to the Centre of Excellence for Major Project Leaders on the special occasion of its inauguration. It is a great pleasure to be the Honorary President of the Centre.

Hong Kong has long been recognised, internationally, for our formidable strengths in infrastructure development. The World Economic Forum has ranked Hong Kong top, globally, in infrastructure for eight consecutive years. Countless infrastructure projects are on the way or in the pipeline. Our annual public works expenditure will hit \$100 billion in the next few years. With such a huge investment in our future, we need to be sure that our resources are used as smartly, as effectively and efficiently, as possible.

The idea of setting up this Centre of Excellence was announced in the 2018 Policy Address. It is a Centre dedicated to ensuring that our public works projects are developed and delivered with world-class leadership and innovation. It is also designed to drive infrastructure direction and development deep into this 21st century of opportunity.

My thanks to the Development Bureau, for bringing the Centre to promising life, and to the Oxford Saïd Business School, which has designed and will run the initial Major Projects Leadership Programme. I look forward to seeing the Centre in achieving its mission with great success in the coming years.

- Interactive workshops with international project leaders
- Collaboration with government authorities and professional organisations

### Master Inspirations

- A series of seminars throughout a 12-month programme
- World-class practitioners to share experiences
- Scholars to conduct case studies

### Learning Enrichment

- Tailor-made personal coaching
- Virtual learning
- Professional assessment

### International Alumni Network

- Major Projects Leadership Academy (UK)
- Victorian Major Projects Leadership Academy (Australia)

## University of Oxford, Saïd Business School

Ranked 1<sup>st</sup> worldwide for higher education by The Times Higher Education (2018), the University of Oxford is one of the foremost centres of learning, teaching and research. As a department of the University, Oxford Saïd is dedicated to developing the new generation of business leaders and entrepreneurs and conducting research not only into the nature of business, but the connections between business and the wider world. The school is ranked the 1<sup>st</sup> in the UK for the fifth consecutive year (Financial Times) and as one of the top ten global providers of Executive Education (FT Global Rankings, 2018).

## Programme Leader - Prof Bent FLYVBJERG

Bent Flyvbjerg is the first BT Professor and inaugural Chair of Major Programme Management at Saïd Business School. Flyvbjerg serves as advisor and consultant to government and business, including the US and UK governments and several Fortune 500 companies. He has worked on some of the largest projects in the world, on all aspects from front-end planning, delivery, and rescue of failing projects. Flyvbjerg is the most cited scholar in the world in megaproject management, and among the most cited in social science methodology. Flyvbjerg has received numerous honors and awards, including Harvard Business Review's 'Ideas Watch' for the most important new idea to follow and the Project Management Institute's and Project Management Journal's 'Paper of the Year Award.' Flyvbjerg's research has been covered by Science, The New York Times, The New Yorker, The Wall Street Journal, The Economist, The Financial Times, China Daily, The BBC, CNN, Charlie Rose, and many other media.
